

## Newsletter -April 2016

Dear Parents

Welcome back after the Easter break, we hope you enjoyed the holiday. Please can we ask you to take a few minutes to complete the attached 'Story from Home' sheet for your child's learning journey.

Our learning theme this half term is "Growth and Change" this will involve lots of exciting learning opportunities for the children. Keep watching the plasma screen for photographs and checking the theme board for ideas of activities you can do at home.

This week we have a delivery of tadpoles which we are hoping will turn into frogs over the next few weeks.

In two weeks time we hope to have a special delivery of 10 eggs and then shortly after we hope to have lots of caterpillars. These are going to be very exciting times for the children as the tadpoles, eggs & caterpillars grow and change.
