

Newsletter - April 2015

Dear Parents

Welcome back after the Easter break, we hope you enjoyed the holiday. Please can we ask you to take a few minutes to complete the attached 'Story from home' sheet for your child's learning journey.

Our learning theme this half term is 'Growth and Change' this will involve lots of exciting learning opportunities for the children.

Keep watching the plasma screen for photographs and checking the theme board for ideas of activities you can do at home. This week we have a special delivery of 10 eggs and already chicks have started to hatch.

We have also tadpoles which are changing and developing rapidly. In a couple of weeks time caterpillars will be delivered and hopefully butterflies will emerge for the children to see.
