

Bird Feeder

What you will need:

- *Cheerios (or another hoop shaped cereal)*
- *Pipe cleaners, string or wool (anything you can thread the cheerios onto)*

What to do:

- *Pour some cereal into a bowl.*
 - *Make a knot at the end of the pipe cleaner (or thread you are using).*
 - *One by one thread the cereal onto the pipe cleaner.*
 - *Tie the end once its full.*
- *Make a few! If you are using pipe cleaners you can bend them into different shapes. Who can make the longest feeder? Tie some together!*
 - *Place your feeders onto a tree, plant, fence, washing line and watch the birds come to eat it!*
 - *Count how many birds you find! Talk about what they look like, their sizes, shapes, colours.*

What skills will your child develop:

- *Physical Development: Fine motor.*
- *Understanding the world*
- *Mathematics: Counting*
- *Mathematics: Shape, space and measure.*
