Create your own playdough ducks or frogs

Make a batch of playdough up (the playdough recipe can be found on the school website) and make your own ducks or frogs.

Using different collage materials, for example, feathers, buttons, raisins, smarties or whatever you have to hand, adding details such as eyes, beaks and wings.

Talk about what items feel like. Ask questions such as how many eyes do they need?

Sing the songs again using the playdough frogs and ducks.

5 Little Ducks and

5 Little Speckled Frogs

Five little speckled frogs, sat on a speckled log,
eating some most delicious bugs, Yum Yum.

One jumped into the pool, where it was nice and cool.
Then there were four green speckled frogs,
Glug Glug.

Water Play

Fill a tub up (or the sink or bath) with water, you could even add some blue food colouring, and place either plastic ducks or frogs into the tub and sing the song. If you don't have any you could make some of your own by decorating stones or pebbles.

Do you know any other nursery rhymes about ducks or frogs? Maybe you could send it to nursery to share with your friends
