

Show me your action!

The Song

Show me your **clapping**, just like this,

Show me your **clapping**, just like this,

Show me your **clapping**, just like this,

Show me your **clapping** now!

Round the circle, round the circle, round the circle just like this!

Back, the other way, back, the other way, back the other way like this!

Whilst singing perform the actions in blue. If you are singing as a family, all hold hands to form a circle before moving walking round, change directions for back the other way.

If your child is singing on their own, they could turn round in a circle.

Activities

Encourage your child to think of other actions to perform whilst singing the song:

Jumping

Bending

Stretching

Hopping

Patting

Stamping

Wiggling

Etc.

Sing the song at a different **tempo**.

Can you sing it faster or slower?

Make sure your movements change in speed too as well as your singing.

Use the words **faster** and **slower**.

Activities

Set up an obstacle course either indoors or outdoors. You could use:

A garden bench

Plant pots

Paving slabs

A table

Chairs

A washing line

Make sure your child knows how to safely use the objects you provide!

If you don't want to use objects why not ask your child to perform an action obstacle course:

10 claps

3 jumps

6 hops

Etc.
