

If I Were the Easter Bunny

'A little rabbit dreams of being the Easter Bunny, hiding Easter eggs in the meadow having a hopping competition and leading the way in the Easter Parade'.

Enjoy a creative activity of making bunny faces using paper plates or/and bunny headbands which allows your child to make choices and develop their creative skills.

Have fun doing the seasonal activities suggested in the story; why not have a hopping competition or an egg and spoon race out in the garden. Maybe you could make an Easter bonnet and have a picnic tea either indoors or out.

Enjoy an Easter Bunny snack using pancakes, fruit, crackers, vegetables etc., involving your child in the preparation. Here are some photographs of some you could try.

Talk about what you would do if you were the Easter Bunny and encourage your child to do the same. You could even make up your own stories about where Easter Bunny leaves the eggs.

Use the egg template decorate eggs and hide them around the house or garden to find them.

Why not send us some photographs of you doing lots of Bunny or Easter activities?
