

## Seaham Harbour Nursery School Early Learners

### Early Learners Newsletter June 2021

Dear Parents

Welcome back after the half term holiday, many of the children have been telling us about their holidays. Please can you take a few minutes to complete the attached 'Story from Home' sheet for your child's learning journey.

This final half term is a very busy time for everyone at Early Learners unfortunately, as we are still following Covid restrictions & guidance some of the things we would normally have done in the past with the children will not be able to happen. However, we will still do lots of other exciting things with the children. The first thing being this week will be a delivery of caterpillars that hopefully will grow and change over the next 5 weeks into beautiful butterflies. This will fit into our 'Growth & Change' theme which will also continue as the children plant & grow plants & seeds in the garden.

June 14<sup>th</sup>-17<sup>th</sup> Gardening Week - We have bought lots of plants for the children to plant next week, if anyone can contribute any plants please can you send them in either this week or next week.

Friday June 18<sup>th</sup> - Staff Training Day - Nursery is closed for all pupils.

Friday July 9<sup>th</sup> - Learning Journeys will be given to children this year as a memento of their time at Early Learners, there will be no charge this year.

Week beginning 12<sup>th</sup> July - last week at Early Learners with lots of fun activities. Early Learners closes 16<sup>th</sup> July for the Summer break.

Polite Notice - Please can I ask you to be mindful of neighbours who live near nursery especially at drop off & pick up times and be considerate when parking your vehicle.

Dress for the weather - As the warmer weather arrives and hopefully continues please make sure children are appropriately dressed with **sunhats and have suncream on**. Please could all children still bring a jacket as often the weather changes throughout the day and the children are outside for long periods of time.

Thank you once again for your continued support by wearing masks, maintaining your distance and following our drop and go procedures, all important procedures to help keeping all children, staff and families safe.

Children moving into main nursery - Unfortunately as we are still working under tight Covid restrictions, transition visits and Parents induction meetings will not happen in the same way as previously. Details of how we will be doing these will be e-mailed to you, along with confirmation of your child's starting date.

Early Learner Places - we still have some places for September. If you know anyone who might have a child for Early Learners please ask them to contact us for a place.

Registering for Early Learners and Nursery - if you have a young child or know someone who has then a registration form can be completed to place names on the waiting lists for both Early Learners and Nursery. Please e-mail or ring Mrs Marshall for registration forms.

Kind Regards

Mrs Scott
