

Seaham Harbour Nursery School

Headteacher Update:

What a very busy half term we have had. It has been lovely to see how quickly the children have settled into Nursery life. They are now confidently arriving at Nursery, finding their own pegs and going off to their groups independently. We are very proud of them and know that you will be too!

Mrs Wilson.

Learning Journals

Thank you for signing in to your child's learning journal to see what they have been up to! Thank you if you have already added comments or shared stories from home. If you haven't, it would be lovely if you could add something, to include these memories in your child's special journal.

Book Bags

Children do not need to return their book bags every day. Some children like to choose a new book every day whilst others prefer to keep the same book for a few days. If your child wants to keep their book that is fine. They can leave their bag at home and bring it to Nursery when they want to choose a new one.

Sponsored Welly Walk!

In the last week of this half-term on Monday 19th October the children will be taking part in a sponsored welly walk. This will be a fun event for the children to walk, stomp and run through leaves, mud and maybe even some muddy puddles! Nursery will provide waterproofs and wellies or children can bring their own. We will use the money raised towards the children's Christmas presents, parties and special treats. The sponsor form is attached.

Bulb Planting

After half term we will be including the children in bulb planting to get our Nursery garden looking beautiful in the Spring. We kindly ask for donations of bulbs, plants and compost if you are able to provide any..
